If you are unable to execute a competent racing dive, do not use the starting blocks at any time during this meet. A competent racing dive is defined as in the ASA Competitive Start award; each swimmer is required to hold one of these. It is the Coach and/or Team Manager's responsibility to ensure that this is the case for all swimmers intending to execute a racing dive. No swimmer should topple into the water in the event of a false start - a proper shallow dive must be performed. It is the responsibility of the swimmer and/or parent to declare to the referee any disability or medical

condition that could present a health or safety risk. If such a disability or medical condition exists swimmers must produce a medical certificate confirming that their participation presents no health or safety problems.

- Points & Trophies** The fastest 6 swimmers in each event will be awarded points towards the Top Boy and Top Girl trophies and will gain points for their club towards the Top Club trophy. Swimmers who achieve an ONB 2018 County Championship Accepted Qualification Time will get the points but not a medal. Instead they will get a speeding ticket.
- Speeding Tickets** Upper Limit times will be the County Accepted times for the 2018 County Championships. Medals will be awarded to the three swimmers in each event who achieve times closest to the Upper Limit times. Swimmers faster than these times will be awarded Speeding Certificates. However, the times will count for points for Top Club.
- Data Protection** Entries and results for this meet will be held on computer. As required by the Data Protection Act 1998, submission of entries implies consent to the holding of personal information on computer. These details may be made public before, during or after the meet.
- Camera Use** In accordance with ASA policy on Child Protection and in conjunction with Pool Management, **NO PHOTOGRAPHY (including the use of cameras on mobile phones) WILL BE PERMITTED BY SPECTATORS, COACHES, OFFICIALS or COMPETITORS.** The exception to this will be the taking of photographs by the appointed official, DBS checked Sports photographer, in compliance with the relevant Child Protection Procedures. He will make available all photographs to the respective clubs.
- A reminder please! **“No swim cap - No photograph”** as the Photographer needs to be able to identify the club the swimmer is with.
- General** The decision of the referee on all aspects of the meet is final. Matters other than those under the control of the referee, not covered by these conditions, shall be decided upon and resolved by the promoter, who for this meet will be zoe.staines: zoe.staines@btinternet.com from Bourne End Swimming Club.
- Appeals** Any appeals must be submitted in accordance with FINA procedures and will be resolved by the referee (Oliver Stockland - Aylesbury).

By entering this event, competitors agree to abide by the above-described conditions.
